Description

Seduced by the dreams of making it in the big city, Greta (Keira Knightley) and her long-time boyfriend Dave (Adam Levine) move to New York to pursue their passion for music. She's heartbroken when he dumps her for fame and fortune and a big solo contract, leaving Greta all on her own. Her world takes a turn for the better when a down-on-his-luck record producer (Marc Ruffalo) stumbles upon her singing in a local bar and is immediately captivated by her raw talent and inspiring authenticity - they may be each other's last chance to turn their lives around.

Plot Outline

Somewhere between friendship and their love of music, two strangers strike a chord that captures the hearts of everyone around them, proving that every great story has its own soundtrack.
